AMMENDMENT OF COMPANY NAME (REG# 2017/121015/07)

L en L du Plessis Dienste CC was registered in 1997 by Leon and Louise du Plessis (Husband and Wife) delivering administrative and secretarial services to clients in the agricultural industry of South Africa.

Twenty years later, after a growth in clientele, the company registered as a (Pty) Ltd, namely L en L du Plessis Dienste (Pty) Ltd, with 6 family members and 1 non-family employee.

With the emigration of the Du Plessis family to Portugal in the beginning of 2022, the company was sold with a transition period of one year to Sarie Lötter, a colleague of 6 years and friend for almost 45 years.

On the 1st of March 2023, when complete ownership changed, the company's name changed to **Agri Manage Solutions (Pty) Ltd**, making use of the known official website agrimanage.co.za of the company.

The directors of Agri Manage Solutions (Pty) Ltd is currently:

Beatrix de Witt (C.E.O.) who has a degree in Consumer Science, experience of 6 years as a P.A. for the C.E.O. of a large global company in the Middle East. She returned to South Africa and had a similar position in the agricultural- and manufacturing industries for another 13 years, before she was appointed as C.E.O. of L en L Du Plessis Dienste (Pty) Ltd, early 2022. She enrolled for the MDP management certificate course at the University of Pretoria for 2023.

Due to the excellent 20 plus years of experience Beatrix gained, contributes to the success of the services Agri Manage Solutions delivers to its clients.

Sarie Lötter is the managing director of Agri Manage Solutions (Pty) Ltd, with several tertiary qualifications and with 47 years of experience in financial- and business management. The first 20 years of her professional career she compiled and disseminated scientific and technical information for the CSIR, together with the financial management position she was appointed in. She was contracted as a consultant by L en L du Plessis Dienste for 6 years, prior to buying the company.
